

Section VI

Campus Facilities

Building Information Garden St. Campus

Opening and Closing the Building

Weeks 1-10

Monday – Thursday	8:15am-9:30pm
Friday	8:15am-5:00pm
Saturday	8:30am-5:00pm
Sunday	Closed unless special event is scheduled

Weeks 11-13

Monday-Friday	8:00am-5:00pm (unless special event is scheduled)
---------------	------------------------------------------------------

Classes are over at 9:15pm. At that time we start locking up. The security guard does a last check of the building at 9:25pm.

Parking

Students are allowed to park in the garages after 6 pm. The basement garage gate automatically closes at 9:30 pm. If the gate has closed and you need to open it, pull your car up to the gate and get out. On the wall to the left of the gate is a red button to press which will open the gate. You have time to drive through and the gate will close automatically. Please check the catalog for new campus parking information.

Security Guard

We have a security guard on campus from 5:30 to 9:30pm Mondays through Thursdays. He patrols the campus and is available to walk students, staff, and faculty to their cars.

Emergencies/First Aid Kits

If there is an emergency let the front desk know and they will call 911.

First aid kits are located:

- On the first floor, under the staff sink (right next to room 109).
- On the first floor, behind the front desk.

Refrigerators:

We have one refrigerator for student use. This is a full size refrigerator located in the north wing, on the first floor, next to the vending machines. Please help keep this refrigerator clean. We will throw out anything that looks bad or old on Fridays.

Vending Machines

Vending machines offering snacks, drinks, and coffee are located downstairs in the north wing, next to the computer lab. Also a drink only machine by the Staff & Faculty mailboxes.

Water Coolers:

We also have reverse osmosis tanks on the first floor by admissions and on the 2nd floor in the kitchen by room 203, for student and employee use.

Copiers:

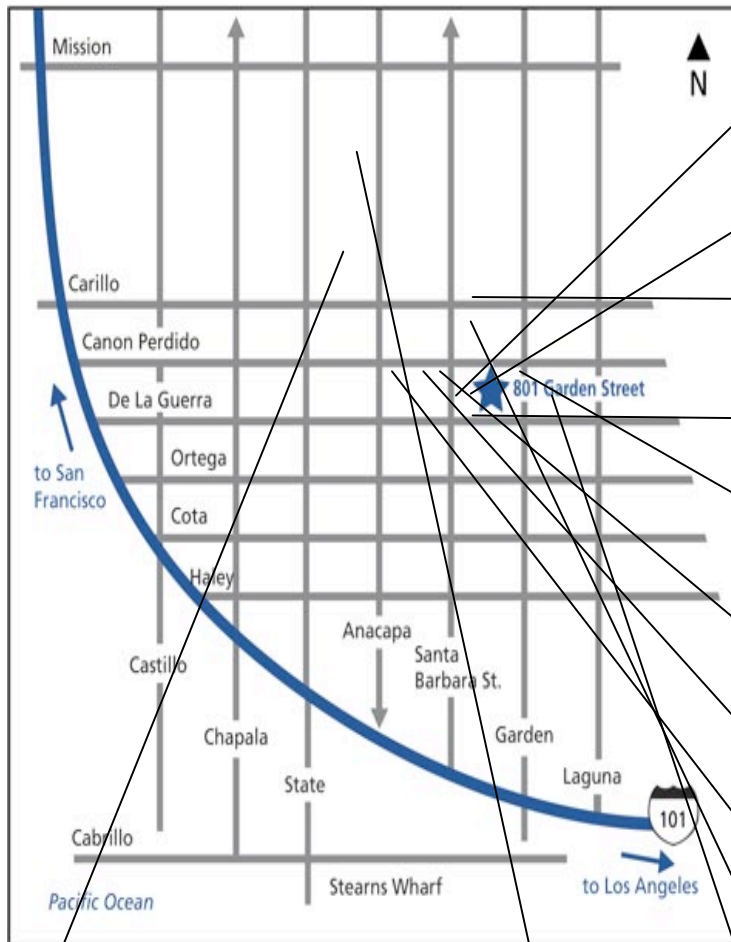

- Student copiers and printers are located in the computer lab on the second floor.
- You are permitted to print or copy up to 250 sheets using your Antioch Student ID number. If you exceed the limit, additional copies can be purchased thru the fiscal office.
- There are staff and faculty copiers throughout the building. These are ONLY to be used by staff or faculty and require a code to copy.
- We try very hard to recycle and conserve paper. If you have a flyer you want to distribute, please consider posting it or asking the front desk to write it on the white boards, rather than making copies to give to every student.

Private Use of Classrooms:

If you need to use a classroom to record something for class, watch a video, or work on a school related project, please contact the front desk to make sure it is available.

** Once into the new campus much of this information will change. You will be notified accordingly.

134 East Canon Perdido

Sojourner Cafe is happy to continue it's tradition of offering AUSB Students a 20% discount!

They would like to pass along some requests and reminders to help with the efficiency and quality of their service.

Policy Changes and Clarifications:

- The 20% discount is for an entree only. Desserts, beverages, side orders, etc. are not included.
- The discount is for students only; the discount does not include non-student guests, significant other, etc.
- We ask that separate checks are limited to no more than two checks per table. This will enable your wait person to process your checks more rapidly so that you may return to your classes in a timely manner.
- Please advise the wait person or host that you are a student when greeted and show your student ID at that time. Student ID is required to receive a discount. (We have new staff members and with the amount of business we do we are unable to remember everybody).
- If you are in a hurry please inform the wait person or host and be aware that if we are busy your order may take longer than usual.
- Gratuity should be based on the pre-discount amount.
- Thank you and Sojourner Cafe hopes their good relationship with Antioch will continue indefinitely.

Also: three blocks east of AUSB is State Street, where numerous eating options are available. If you are new to the area, a stroll on State Street is a must.
